This might not be the wine for everyone, excepting those who can taste great wine when it's given to them. If you don't like this, we have something more expensive we think you might like.

Carafe of Wine

Feel like you're in Europe with a carafe of white or red table wine from Portugal. 13

Flights

***BUILD YOUR OWN FLIGHT:** Three half glasses of anything we pour by-the-glass. Have all whites, all reds, or mix it up and have rose three times. It's up to you. Ask us to help you choose (we know). 15

***AROMATIC WHITE FLIGHT:** Three wines that answer the question: what does beautiful smell like? Beginning with the delicate and crisp sparkling wine from Novacento, followed by the perfumed and supple Chenin Blanc from Slanghoek and finishing with a jewel of a wine, the Riesling from Waipara. 15

***IBERIAN RED FLIGHT:** Here's the thing: these are the best wines you could be drinking with the food you just ordered. A wine made from Tempranillo, one from Touriga Nacional and finishing with a Monastrel from Jumilla. These wines are a little off the beaten path, but then, that's the point. 15
